MATTER OF C-V- INC

DATE: JUNE 22, 2018

APPEAL OF NEBRASKA SERVICE CENTER DECISION

PETITION: FORM I-140, IMMIGRANT PETITION FOR ALIEN WORKER

The Petitioner, an information technology company, seeks to employ the Beneficiary as a “software developer.” It requests classification of the Beneficiary as a member of the professions holding an advanced degree under the second preference immigrant classification. Immigration and Nationality Act section 203(b)(2), 8 U.S.C. § 1153(b)(2). This employment-based immigrant classification allows a U.S. employer to sponsor a professional with an advanced degree for lawful permanent resident status.

The Director of the Nebraska Service Center denied the petition. The matter is now before us on appeal. Upon review, we will summarily dismiss the appeal.

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically an erroneous conclusion of law or statement of fact for the appeal. 8 C.F.R. § 103.3(a)(1)(v).

The Petitioner did not provide a statement in support of the appeal that specifically identifies an erroneous conclusion of law or statement of fact in the decision being appealed: On the Form I-290B, Notice of Appeal or Motion, the Petitioner stated that a brief or additional evidence would be submitted within 30 days of the February 20, 2018, filing date. However, we have not received anything further from the Petitioner to date. Because the Petitioner has not identified a specific, erroneous conclusion of law or statement of fact in the Director’s decision below, the appeal must be summarily dismissed.

**ORDER:** The appeal is summarily dismissed pursuant to 8 C.F.R. § 103.3(a)(1)(v).
